2. Map Direct
3. Applying Online: Self-Certifications & E-Application

Submit a self-certification/online application using the department's Business Portal

Following requests from the business community for training on how to utilize the full capabilities of DEP's database management system, Oculus, the South District is looking forward to offering this free, hands on training opportunity.

Give your company the competitive edge by learning to utilize the full array of Oculus tools, which will allow you to better serve your customers.

Come and meet our public records staff. Remember to bring your Oculus questions!
